

## HOW TO DO YOUR ENTRIES ONLINE FOR SABHA EVENTS.

The very first thing you need to do is become an ABHA member. You cannot enter the arena at our event if you are not an ABHA member. We are an affiliate of the ABHA and that affiliation contributes to your protection through insurance cover throughout the event. Your ABHA membership also allows you to qualify for the annual ABHA finals, once you meet the qualifying criteria. ABHA membership is by this link <http://www.abha.com.au/become-a-member>

Next you go to the ABHA website events page and the drop down box to events calendar. You will find that link here <http://www.abha.com.au/event-calendar> . Find the SABHA event you want to enter in and click on it.

As you work your way through the entry form it will calculate what you need to pay for the events you have entered. Once you have received the total owing, you then need to take a step back and make payment to SABHA before your entry can be submitted. This is done by direct deposit to SABHA. If you already know what you are entering, and the cost then you can do the direct deposit first and proceed through the ABHA form uninterrupted.

The direct deposit details for SABHA are as follows

S.A. Barrel Horse Association BSB 105 009 ACC 099921040

Make sure you keep your reference number so that you can add it to your online entry.

Next enter the date you paid.

Most importantly, you may have won prize money at the event, so we need your bank details to pay you. This is the last entry on the form.

You need to enter this in the format asked. You enter your account name then a space then a BSB then a space then your account number. It should look like this

Mary Smith 011678 12345678

SABHA membership is also available. This can be found on the SABHA website. It is not compulsory to compete at SABHA events, but it supports the club that supports you. It also means you are eligible for SABHA end of season prizes and gives you the right to vote at SABHA meetings.
